

TEACHING FEEDBACK FORM

What do you need to know? What was the main point?

How did the teacher support that point?

Why do you need to know this?

How engaged were you as a learner? Why do you think that was?

How convinced were you that the main point being made was actually true?

What change were you encouraged to consider? How does the main point apply to you today?

What specific thing were you called to do?

What did the teacher do well in teaching?

What might the teacher do to improve?
